

Literature Inventory
for the
Pollution Prevention Program
City of Albuquerque, Wastewater Utility Division
(505) 873-7058/7059
January 27, 2000

Automotive:

1. Automotive Maintenance Shops & Transportation Facilities Pollution Prevention Tips
2. Manage Shop Towels Properly (pamphlet)
3. Radiator Repair Facilities (info. sheet)
4. Various Environmental Automotive Posters
5. Pollution Prevention Opportunities for Used Antifreeze (info. sheet)
6. Automotive Recyclers List
7. Automotive Repair Code of Practice
 - a. Introduction and Checklist
 - b. Reference Materials
8. Asbestos Can Kill You-Brake & Clutch Dust Contain Asbestos
9. Good Degreasing Practices
10. Good Painting Practices Poster

Dental:

1. Dental Waste Guidelines for Dental Offices
2. The Economy Size Myth & Why Less is Best (info. sheet)
3. Dental Recyclers List
4. Dental Waste Management Poster
5. 1999, Dental Waste Management survey Results
6. Dental Office-Facility Self Grading Matrix
7. Pollution Prevention Guidelines For Dental Offices

Healthcare:

1. The Case Against Mercury: Rx for Pollution Prevention
2. Pollution Prevention Medical Facilities Workshop
3. Make Your Facility a Leader in Mercury Pollution Prevention
4. Making Medicine Mercury Free
5. Mercury Pollution Prevention in Healthcare
6. Mercury Waste Minimization Guidelines
7. Mercury Thermometers and Your Family's Health
8. Biomedical Laboratories Code of Practice
 - a. Introduction and Checklist
 - b. Reference Materials
9. Mercury In The Environment

Household:

1. Household Hazardous Waste
2. Protect Your Home
3. Pesticide Management and Safety On Home Grounds
4. Backyard Composting Made Easy
5. Reduce Your Garbage Bill
6. Stop Sewer Backups
7. Are You Pouring Water Quality Down the Drain?

General Pollution Prevention Information:

1. Source Control- Waste Minimization Program
2. General Pollution Prevention (info. sheet)
3. Pollution Prevention Program: General Information
4. General 5ppm Program Information
5. How Do You Get the Silver Out? General 5ppm letter by Bob Hogrefe
6. P2 Certification Application
7. History of Albuquerque Wastewater (EPA story)
8. P2 Update-Pickle Plater

Jewelry:

1. Acid Pickles (pamphlets)
 - a. Acid Pickle Study.
 - b. Pickle Plater Newsletter.
2. Jewelry Manufacturing Waste Minimization Guidelines
3. Acid Pickles and The Pickle Plater (info. sheets)
4. Silver Recovery Techniques for Jewelers (info. sheet)
5. Pollution Prevention in Jewelry Manufacturing (info. sheet)
6. Jewelry, Electroplating & Surface Finishing Recyclers List
7. Pollution Prevention in Jewelry Manufacturing Poster
8. Don't Pour Acid Pickle Poster (Spanish & Vietnamese)
9. Jewelry Manufacturing Code of Practice (Spanish)
 - a. Introduction and Checklist
 - b. Reference Materials
10. Schematics Settling System for heavy metal waste streams
11. Metal Finishers (Information Sheet)
Jewelry Manufacturing
Pollution Prevention Opportunities (information sheet)
12. Reprints of Articles Written by David H. Cleinman
"Decorative Mass Finishing"
"Electrostripping Vs Cyanide-Peroxide Bombing"
"Cleaning Metal Parts-A Crucial Operation"
"Rinsing For Dollars"
13. Sandia Report
Wastewater Filtering from a Metal
Polishing Station for Pollution Prevention

Paint:

1. Best Management Practices for Paint Contractors
2. Safe Handling and Disposal of Paint Products for Household Uses.

Photoprocessors:

1. Recycling Guide for Photoprocessors
2. The Perfect Picture- Guidelines for Darkroom Hobbyists
3. Photoprocessing Waste Minimization Guidelines
4. Photography Recyclers List
5. "Photographers Can Help Everyone Win" Poster
6. Photoprocessing Code of Practice
 - a. Introduction and Checklist
 - b. Reference Materials
7. Indoor Air Quality in the Photo Lab

Printing:

1. Commercial Printing
2. Printing Code of Practice
 - a. Introduction and Checklist
 - b. Reference Materials
- 3 Green & Profitable Printing-Course notebook

Water:

1. Are You Pouring Water Quality Down the Drain?
2. Stop Sewer Backups
3. What Goes Down the Gutter... Flows into the Rio Grande
4. The Story of Wastewater Reclamation
5. Wastewater Treatment Process Poster
6. Student Fact book-water resources of the Middle Rio Grande Area
7. Protect Our Water
8. Lean & Green-A Simple Guide to Water-wise lawn care
9. A Water Conservation Guide for Commercial, Institutional & Industrial Users
10. Needed: Clean Water
- 11 Xeriscape Rebate Incentive Program
12. Let's Learn About-Wastewater Treatment
13. About Wastewater Treatment

Hazardous Waste-Materials:

1. Hazardous Waste Management Handbook
- 2 EPA-Understanding the Hazardous Waste Rules
14. Hazardous Material Emergency Response Plan-Section I-Facility Description
15. Hazardous Waste Management-List of Hazardous Waste Handlers (pamphlet)
16. H2HwC* Center
 - *Household Hazardous Waste Collection
17. Household Hazardous Waste-What is it?

Videos:

1. Building a Pickle Plater (Jewelers) (5:30) (1)
2. Jewelry Waste Minimization Workshop 1993 (30:00) (5)
3. Vibra Finish-Filtration (heavy metal waste streams) (6)
4. Our Waste, Our Responsibility (9)
5. Profit Through Prevention-Best Environmental Practices for Auto Repair (10)
6. Pollution Prevention-For Automotive Service Stations Montana State University Extension Service (9)

Miscellaneous:

1. Circuit Board Manufacturing Waste Minimization Guidelines
2. Metal Finishing Waste Minimization Guidelines
3. Formulators: Paints, Pesticides, and Aerosols Waste Minimization Guidelines
4. Devestment Process Outline (info. sheet)
5. Analytical Laboratories Code of Practice
 - (a) check list
 - (b) reference manual
6. EPIC List
7. Referral List – Water/Wastewater Related Calls.
8. Synopsis of Revision to the Draft Final Project Agreement for the Project Excellence
9. EPA-Project XL: Albuquerque Pretreatment Project
10. 1999 P2 Summary
11. 2000 Program Information & Application Guidance.
 - (a) MSDS-Dupont Chemicals-Sodium Cyanide
12. Product Information-Dupont Chemicals-sodium cyanide
13. Constructed Wetlands Pilot Project
14. Problems relating to ditches, arroyos or channels
15. Radio Active Discharge Management Program (RDMP)
16. Floor Cleanup
17. Wastewater Utility Division FY 1997 Program Highlights “A Utility is a work in progress”
18. Best Management Practices (BMPS) for Carpet Cleaning Services
19. Solid Waste Disposal Guide
20. Fact Sheet For Drycleaners Environmental Regulations
21. Understanding a Material Safety Data Sheet
